

Regional Network

The Regional Network was formed as Burning Man has evolved in to more than just an event in the summer. It is a way of looking at life all year long.

Our Regional Contact's Scott 'Scotto' Platsky & Ben 'Chromotest' Overbaugh & other veteran AZBurners are here to help facilitate connections between the members of our community.

The Burning Man Network

Our job is to:

1. Provide information to people who know nothing about Burning Man
2. Introduce the philosophies and principles of this culture
3. To help build the community by organizing events and gatherings
4. To be a provider of information from the BMORG
5. To keep in contact with the Network and pass information on.
6. The regional network is not here to guide or direct anything but to provide a
7. helping hand in the forming of communities.
