BURNING MAN

Waking Dreams is the theme for Burning Man 2022, happening August 28th til September 5th. We think it's great that the theme is so closely related to our Saguaro Man theme of Dream Within a Dream! Learn all about it here, where you will also find links to art grant information.

Regional Contacts (RC's) represent the Burning Man Project in communities around the world. They are devoted to helping local Burners connect with each other, while bringing Burning Man principles and culture into their community through events and activities year-round.
