Property Name TBD | Updated 05/08/2022

The land is approximately 1 ½ hours South-East of Tucson. The closest town is Willcox, AZ

Here's a quick video that shows the road leading up to the property. Please leave your Ferrari at home but cars, SUVs, RVs, etc can drive it. <https://www.youtube.com/shorts/f2ByUQyLC4k>

NOTE: For insurance and liability reasons the land is **CLOSED** to visitors, unless you are registered to volunteer at a scheduled Work Weekend, or an AZBurner event like Saguaro Man or Decom. We ask that you do not enter the property without written permission from the Land Stewards or DPW Lead.

Step by Step Directions:

- I-10 to Willcox
- Exit 336 (Rte 10 Bypass) - go 3 miles
- Turn Right on 186 - go 6 miles
- Turn Right on Kansas Settlement Rd - go 6 miles
- Turn Left on Arzberger Rd - go 5.2 miles
- Turn Right on Quicksilver – 0.1 miles
- Turn Left into E. Cattle Dr – 1 mile
- Turn Left into Covered Wagon Drive – 2.2 miles
- Landy McLandface will be on your left

**** Important**** you can not continue straight on Arzbergers, past 5.2 miles, to get to Covered Wagon, I don't care what Google Maps says. You will hit a private facility and they will make you turn around. There is a group of gray mailboxes next to a black & yellow striped sign.
TURN RIGHT ON TO QUICK SILVER at the MAILBOXES >>

- Turn Right on Quicksilver (dirt road) - go .2 miles, the road will curve naturally to the left and become Cattle Drive - go 1 mile
Turn Left on Covered Wagon Road, go 2.1 miles to the Gate on the Left (approx .7 mi after you cross Indian Trail)

Note: Go slow on Covered Wagon Road as there are a couple of rough spots
