Personalized thank you

A more diverse and radically inclusive community is an important part of our future. If this event supported making your regional community more diverse and radically inclusive, please describe how your production team and/or participants contributed to this effort.

In Process

Environmental sustainability is an important part of our future. If this event tried to address sustainability, reduce carbon impact, and/or experiments with green living innovations, please describe how your production team and/or participants contributed to this effort.

Creating a sustainability team and working on solar power for the land

YOUR THOUGHTS ABOUT THE REGIONAL NETWORK

What should the primary purpose of the Regional Network be?

Helping bring the Burning Man ethos to the regional communities
